B. MEETING REPORTS

Ad Hoc Committee Reports

Legal Services Search Committee Report

ED Wilbeck reported the Legal Services Search Committee met on July 12, 2018, and reviewed the legal services contract and existing policy for the evaluation process. The Committee proposed revisions to Board Policy 14.08 and recommended not to initiate a competitive selection process for legal services.

Proposed Revision of Policy 14.08 - Legal Services Evaluation Process

The Board will form a Legal Services Committee every three years, at its first meeting of the then-current fiscal year, to evaluate the performance of the Board's Special Assistant Attorney General ("special counsel"), or at any time if requested by the Board. The Committee shall then make a recommendation to the Board at the earliest opportunity to either continue services with the current special counsel, or initiate a competitive selection process to procure legal services.

If the Board votes to initiate a competitive selection process, the Board Chair will appoint a search committee of not less than three board members, which shall include at least one engineer and one architect. An open process in selecting consultants to provide assistance is important to the Board. The search committee will solicit qualifications from interested attorneys in a manner consistent with state law. After receiving qualifications, the search committee will consider the credentials of at least three candidates and recommend at least two candidates to the Board for its consideration. Selections are intended to be qualifications based.

Prior to a meeting requesting Board action, the credentials of at least the top two candidates will be distributed to the full Board. Upon deliberation in a closed session, the Board will recommend a candidate to the Attorney General for appointment as special counsel. Upon such appointment, the Board will sign a formal contract for legal services with the appointee for a specific period not to exceed one year. After the term of the Special Assistant Attorney General is expired and before a new Special Assistant Attorney General is appointed, the Board may enter into a monthly contract for legal services with its last Special Assistant Attorney General until its new Special Assistant Attorney General is appointed by the Attorney General.

Motion by Isom, second by Thiele to approve the revision of Board Policy 14.08 as proposed. Voting Yes: Champion, Foley, Isom, Kelly, Peters, Thiele, Bostelman, Klein. Voting No: None. Absent: None.
