B. SUBCOMMITTEE AND OTHER REPORTS

NBEA Subcommittee Reports

[FY2025-26 Board Committees](#)

A copy of the FY2025-26 Board committees and charges was provided.

[Legislative Committee](#)

A copy of legislative bills currently being tracked that may be of interest to the Board was provided.

[Other Reports](#)

Russell Westerhold, Edwards Westerhold Moore, reported on the 2026 legislative session. Friday, February 27th, is the last day of committee hearings. Full day floor debate will begin on Tuesday, March 2nd. LB899, proposing revisions to the E&A Act, was voted out of committee by a 7-1 vote and currently on General File. Westerhold and ED Wilbeck will work to see if it can be added to the legislature's consent agenda, despite the contested committee vote, and may look to see if there is a priority bill that LB899 provisions could be amended to.

The Economic Forecasting Board meets on February 27th, and it is anticipated that it will project additional revenue shortfalls.

C. OLD BUSINESS

State of Board Rules Changes After January 2026 NBEA Meeting

A copy of the proposed rules incorporating the changes discussed at the October meeting was provided. ED Wilbeck would like to begin a discussion at the national level about candidates having to wait at least 48 months after graduation to qualify for licensure when they have advanced degrees that may qualify for experience credit. Graduate education has changed over the last twenty years, and now may be a good time to start the discussion, as many jurisdictions have rules in place that allow applicants to qualify earlier in comparison to Nebraska.

Trade Name Request Reconsideration

A request was received from Ontic Engineering and Manufacturing Inc for the Board to reconsider its denial of their request to use the term *engineering* in the organization's name. The original request was denied at the December 2025 meeting. The Board took no action.

Update on Licensee Database Replacement Project w/NCARB

ED Wilbeck updated the members on the status of the database replacement project.

D. NEW BUSINESS

Draft 2026 NCARB Resolutions

A copy of the draft 2026 NCARB Resolutions was provided. Discussions will occur during the NCARB Regional Summit in Oklahoma, OK, March 20-21, 2026. The NCARB Board of Directors will review and revise as needed at the April Board of Directors meeting. The final resolutions will be distributed before the annual meeting in June.

- **Resolution 2026-A** – Replaces the existing Mutual Recognition Agreement (MRA) with the United Kingdom. The amended MRA would eliminate post-licensure experience requirements as a qualification and allow acceptance of pathways outside of the standard path to NCARB certification.
- **Resolution 2026-B** – Updates six policies previously passed by the membership to reflect current terminology and practice. It also creates a single membership document with all the policies for clarity, consistency, membership accessibility, and ease of future review. In addition, it will sunset two additional policies that have been incorporated into other official documents and are duplicative or no longer necessary.
- **Resolution 2026-C** – Updates the *NCARB Certification Guidelines* to add an alternative to the Examination Requirement for the NCARB Certificate for architects licensed through historic exams. This will allow architects who were licensed through a jurisdiction-specific process of satisfying the NCARB paper-and-pencil exam to seek NCARB certification if they are in good standing, building on previous guidelines amendments.

While unable to attend this meeting, Foley provided a written comments on Resolution 2026-C. He believes it undercuts the premise that an NCARB Certificate rewards those who have met a set of uniform requirements approved by the NCARB community. The resolution could be construed as setting a precedent for NCARB supporting states that choose lower passing standards on NCARB exams than those recommended by NCARB standards-setting panels and approved by the NCARB Board of Directors.

2026 Proposed Changes to NCEES Bylaws

A copy of the proposed changes to the NCEES Bylaws was provided. Additional discussion will take place during the 2026 NCEES Zone Interim Meetings in April and May.

Draft FY2026-27 NEBOG Administrative Services Contract

ED Wilbeck provided a draft contract between NBEA and the Board of Geologists (NEBOG) for administrative services to NEBOG from July 1, 2026, to June 30, 2027. Staff time spent on NEBOG is averaged over the last three calendar years. The resulting percentage is applied to the appropriate expenses for the contract period. Additionally, the cost of staff travel to the National Association of Boards of Geology (ASBOG) annual meetings is included.

The yearly contract amount is \$26,454, to be billed quarterly. Additional services outside the included services list will be charged at a weighted hourly rate of \$24.816 and must have signed approval from both boards before any work is started. The cost is \$6,073 more than the 25-26 contract, and the weighted hourly rate is 64.7¢ higher.

Motion by Suelter, second by Thiele, to approve the FY2026-27 administrative services contract with NEBOG. Voting Yes: Nelson, Thiele, Suelter, Brisnehan, Kelly; Dvorak; Voting No: None; Absent: Bostelman, Foley

Draft FY2026-27 NSBLA Administrative Services Contract

ED Wilbeck provided a draft contract between NBEA and the State Board of Landscape Architects (NSBLA) for administrative services to NEBOG from July 1, 2025, to June 30, 2026. Staff time spent on NEBOG is averaged over the last three calendar years. The resulting percentage is applied to the appropriate expenses for the contract period. Additionally, the cost of staff travel to the Council of Landscape Architecture Registration Boards (CLARB) annual meeting is included.

The yearly contract amount is \$21,112, to be billed quarterly. Additional services outside the included services list will be charged at a weighted hourly rate of \$25.042 and must have signed approval from both boards before any work is started. The cost is \$3,467 more than the 25-26 contract, and the weighted hourly rate is 70.5¢ higher.

Motion by Suelter, second by Kelly, to approve the FY2026-27 administrative services contract with NSBLA. Voting Yes: Nelson, Thiele, Suelter, Brisnehan, Kelly; Dvorak; Voting No: None; Absent: Bostelman, Foley

Draft FY2026-27 Legislative Liaison Contract – Edwards Westerhold Moore

ED Wilbeck provided a draft contract between NBEA and Edward Westerhold Moore, beginning July 1, 2026, and ending June 30, 2027, for legislative liaison services. The yearly contract amount is \$25,000 payable quarterly, the same as the 25-26 contract. Any and all expenditures in connection with the Board's legislative activities are to have approval from the Board or Board Chair before the services are rendered. Additional direct costs will be billed to the Board at Edwards Westerhold Moore's cost.

Motion by Suelter, second by Nelson, to approve the FY2026-27 legislative liaison services contract with Edwards Westerhold Moore. Voting Yes: Nelson, Thiele, Suelter, Brisnehan, Kelly; Dvorak; Voting No: None; Absent: Bostelman, Foley

Draft FY2026-27 Legal Services Contract – Sean Minahan, Special Assistant Attorney General.

ED Wilbeck provided a draft contract between NBEA and Sean Minahan of Lamson Dugan & Murray LLP, beginning July 1, 2026, and ending June 30, 2027, for legal representation of the Board as Special Assistant Attorney General. Hourly rates are \$245 for attorneys, \$190 for associate attorneys, and \$125 for paralegals under Minahan's supervision. Only one-half of the necessary travel time required to conduct the work of the Board will be billed. The attorney hourly rate is \$20 more than the 25-26 contract.

Motion by Suelter, second by Brisnehan, to approve the FY2026-27 legal services contract with Sean Minahan. Voting Yes: Nelson, Thiele, Suelter, Brisnehan, Kelly; Dvorak; Voting No: None; Absent: Bostelman, Foley

Proposed Board Policy 26.02 – Evidence of Meeting Rule 4.1.5 Requirements; Establishing Discipline of Licensure

The proposed policy clarifies the documents/verification required to determine whether an individual qualifies for licensure under Board Rule 4.1.5 (Non-United States Jurisdictional Comity) and to determine the license discipline if the individual has not passed the Principles and Practice of Engineering (PE) exam. The policy reads:

In accordance with the requirements listed in Board Rule 4.1.5, comity professional engineer applications who may qualify for licensure through this rule must provide:

- *Verification of current licensure in good standing, sent officially from the country's appropriate licensing authority;*
- *Verification of current listing on the country's international engineering alliance registry, sent officially from the country's appropriate authority; and*
- *If the applicant has not passed a PE Exam, a ~~compeltd~~ completed Affidavit of Specific Discipline form to establish discipline of licensure in all cases except licensure as a Professional Structural Engineer.*

Motion by Thiele, second by Suelter, to approve Board Policy 26.02 as amended. Voting Yes: Nelson, Thiele, Suelter, Brisnehan, Kelly; Dvorak; Voting No: None; Absent: Bostelman, Foley
