B. MEETING REPORTS

Ad Hoc Committee Reports

Legislative Report

ED Wilbeck reported reaching out to the owner of an interior design firm to discuss LB1068.

A webinar was attended last week with The American Institute of Architects (AIA-Nebraska) concerning continuing education changes. One of the discussion items involved a revision that would require a learning activity to be technical in nature beginning as of January 1, 2022. An acceptable definition for “technical” will be created to clarify the proposed rule.

A Rule Changes Committee meeting is planned in July before the Nebraska Legislature reconvenes. Representatives from the American Council of Engineering Companies (ACEC Nebraska) and Nebraska Society of Professional Engineers (NeSPE) will be invited to take part in discussions.

Executive Committee Report

Bostelman reported the Executive Committee met on May 29, 2020, to review and discuss the performance of the Executive Director. A report will be brought to the Board at its August 7, 2020 meeting.

As part of its COVID-19 response, NCEES canceled its in-person annual meeting scheduled for August 26-29. A shortened virtual business session to conduct essential Council business will be held August 27 at 4:30 p.m. Before the virtual business session, NCEES will provide a series of webinars and other communications to help prepare for the meeting. Webinars will be held as follows:

- Wednesday, June 17 - President and CEO Reports
- Wednesday, June 24 - Finance and Treasurer Reports
- Wednesday, July 1 - Elections, Completing the Ballot, and Service Awards

The 2020 Action Items and Conference Reports will be posted on NCEES’ annual meeting webpage by the end of June.

FY 2020-21 Marketing Plan

ED Wilbeck reported PIO Mayhew left employment with the Board on June 5. Some interviews have already taken place and a new PIO will be hired soon. The Board agreed the Marketing Plan created by PIO Mayhew would be helpful to the next PIO.

A webinar on continuing education requirements was held with AIA and a similar one is scheduled with ACEC next week. A presentation was also sent to NSPE-NE.

D. NEW BUSINESS

Occupational Board Reform Act Survey draft response

A draft of the Occupational Board Reform Act Response was provided to the Board for review and discussion. The online survey is to be submitted to the Legislature’s Health and Human Services Committee by June 26, 2020. Responses to the survey will be submitted as discussed.

Budget Process Overview

ED Wilbeck provided an overview of the biennial budget process from the budget request to the appropriation enacted by the Nebraska Legislature in odd years. The appropriation represents the amount the Board has authority to spend each fiscal year. The budget process is governed and guided by provisions of the Nebraska Constitution, state statutes and the Rules of the Nebraska Unicameral Legislature.
2021-2023 Biennial Budget Request

A draft spreadsheet showing work on the 2021-2023 biennial budget request was provided. The agency and program level draft narratives are due August 3. The deadline for electronic submittal of the budget request is September 15, 2020.

The Board discussed COVID-19 implications on its current and future revenue. The National Council of Examiners for Engineering and Surveying (NCEES) and the National Council of Architectural Registration Boards (NCARB) are seeing a lower number of exam applicants, but the decline is hoped to be temporary. ED Wilbeck will review past numbers to project revenue from application fees.

iGovSolutions Contract

The Board reviewed a contract draft with iGov Solutions. The contract would provide a software license, customization, and consulting services for a database. Data migration and customization would be $4,100 per month for six months, annual maintenance and hosting implemented solutions would be $4,100 per month for 3 years following data migration. The annual fee would be $49,200. ED Wilbeck reported approval would be required from the Office of the Chief Information Officer (OCIO) and the State Purchasing Division. Currently, the vendor is working on a solution for another Nebraska regulatory board. The plan is to move forward with the implementation of a solution this next fiscal year. Once the database is implemented, temporary IT staff will no longer be needed.

Registered attendees will receive an email the week before the Annual Business Meeting with a link to set up their account in the virtual meeting platform. A link to the Annual Business Meeting site will be available on the Member Board Community site on June 11, 2020. On Monday, June 15, 2020, voting delegates must attend a mandatory procedures meeting. Johnson is the Board’s voting delegate.
